The Heart of Sunsets

Sorrento Restaurant and Bar is naturally considered one of the most iconic venues in the Whitsundays and for good reason. Located in the multi award winning Coral Sea Marina/Resort, the restaurant, perched high on the point, lovingly captures all the magnificence of the Coral Sea, enchanting Whitsunday Islands and tranquil ambience of the Marina. Celebrated by locals and visitors alike for its mouth-watering menu, delectable cocktails, friendly and efficient staff and extensive bar, Sorrento is a first choice for couples celebrating their love in the Whitsundays.

You don't need to escape to the Italian coastline to experience the delights of Sorrento. Boasting unparalleled views of the Whitsunday's, you and your guests can sip on Limoncello and savour succulent fresh seafood while watching a sublime sunset transform bright azure water into a shade of vivid tangerine.

Here at Sorrento we would be honoured to not only share your special day, but make it truly unforgettable.

Your Sorrento Ceremony

The Ocean Deck offers a bright coastal chic setting where you will be treated to views of the sparkling azure waters of the Coral Sea that will take your breath away and is the perfect setting for an intimate ceremony. Then, as the sun sets, your guests will be tantalized by the colour and magic of the evening sky as they are entertained with drinks and hors d'oeuvres while you are off discovering the magic of Airlie Beach for your perfect wedding photos. With the seasonal changes produced in the tropics you can rest assured that you have chosen the perfect location for all weather conditions.

The Reception

As you join your family and friends you will relax and enjoy your special day under the canopy of twinkling fairy lights whilst adoring the breathtaking vista, sipping on cocktails and savouring the delicious delights from our highly regarded chefs.
